Submit an Abstract

- Dead line for abstract submission : **January the 31st 2011**

Presented topics have to deal with some caribbean geosciences aspects.

You can write your abstract either in French, English or Spanish, although we recommend you to prefer English.

- **Preparing an abstract**

The easiest is to download one of the ready to use templates below

[cgc2011-abstract-template-gb.doc](#)

[cgc2011-abstract-template-gb.odt](#)

Otherwise follow precisely instructions below

Font should be Times 12. Justified text, regular spacing. On the top of the abstract file, please specify which session you apply for and if you prefer an oral or poster. Then, the first paragraph of the abstract is the title of the talk, in Times 12 bold. The second paragraph should consist of the authors and their affiliations. Underline the corresponding author's name and include his/her email. The remaining paragraph is the abstract itself, which should not exceed 300 words.

- **Submit an abstract**

Please give the file **the first author name!**

Abstracts should be sent to the following address : cgc2011-at-univ-ag.fr , MS Word or open office file **only!**

Corresponding authors will be notified if their presentation is accepted for talk or poster and in which session after submission of all abstracts about mid February.
